State of New Hampshire

To the inhabitants of the Town of Ossipee, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next, at ten of the clock in the forenoon to act on the following subjects:

1. To see what sum of money the Town will vote to raise and appropriate for decorating the graves of soldiers.

2. To see what sum of money the Town will vote to raise and appropriate for the repairs of highways in summer.

3. To see what sum of money the Town will vote to raise and appropriate for the repairs and construction of bridges, and pay on the indebtedness on the Pine River Bridge.

4. By the recommendation of the Budget Committee, to see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) to defray the additional expense of breaking roads in the winter of 1922, and see if the Town will vote to raise in 1924 the amount that it costs to break the roads in the winters of 1923-24.

5. To see what sum of money the Town will vote to raise and appropriate for the destruction of gypsy moths and white pine blister.

6. To see what sum of money the Town will vote to raise and appropriate for defraying town expenses.

7. To see if the Town will vote to raise and appropriate the sum of one thousand four hundred thirty-four dollars (\$1,434.00) for State Aid Construction, in order to receive five hundred seventy-three dollars and sixty cents (\$573.60) from the State.

8. To see if the Town will vote to raise and appropriate the sum of fourteen hundred dollars (\$1,400.00) for State Aid Maintenance in order to receive two thousand one hundred dollars (\$2,100.00) from the State.

9. To see if the Town will vote to raise and appropriate the sum of three thousand six hundred dollars (\$3,600.00) in order to receive ten thousand eight hundred dollars (\$10,800.00) from the State.

10. To see if the Town will vote to authorize the Selectmen to exempt from taxation for a period of ten years, any manufacturing plant that may be built within twelve months. Said plant to cost not less than five thousand dollars (\$5,000.00) and employ not less than ten regular employees.

11. To see if the Town will vote to authorize the Selectmen to exempt from taxation for a period of ten years, any new development of Hydro Electric Power within said town for manufacturing purposes.

12. To see if the Town will vote to authorize the Selectmen to exempt from taxation for a period of ten years, any newly constructed Hotel property within said town.

13. To see if the Town will vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500.00) to rebuild the abutments of the Lord Bridge as recommended by the State Engineer, the estimated cost of rebuilding is between \$3,000 and \$5,000. The State's share would be 35% of the whole cost.

14. To bring in your ballots upon the question as to whether amendment proposed by the Convention to revise the Constitution shall be approved.

15. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes, and to allow them to make a discount for early payment of taxes.

16. To choose a Selectman for three years, Town Clerk, Treasurer, Highway Agents, Auditors, and all other officers and agents, for the ensuing year.

17. To transact any other business that may legally come before said meeting.

Given under our hand and seal, this 24th day of February, 1923.

WALTER L. ROBINSON,
WALTER S. WELCH,
CHARLES E. SMART,

Selectmen of Ossipee.

Superintendent's Report

To the School Board of Ossipee:

Your Superintendent has the honor to submit the following report for your consideration.

During the past two years, and also in the present year, nine schools have been operated in Ossipee. The average membership of the largest school last year was thirty, while that of the smallest was seven. At the present time the Valley School enrolls seven pupils, two of these being transported from the Mountain District. Unless there is an increase in the number of pupils to attend this school, I would suggest that you consider the advisability of closing it next year, transporting the children from the Valley district to Center Ossipee and those from the Mountain to Moultonville. It is seldom that a school should be maintained for six or less pupils. As a business proposition it is generally expensive, and educationally it is unsound. Three years ago there was a similar situation at Duncan Lake. The school was closed and the pupils transported to Ossipee. The progress of these pupils in the larger school has proved that the move was justified.

At the end of last year the resignations of two of our teachers, Mrs. Hodsdon at West Ossipee and Mrs. Ross at Water Village, were received. Mrs. Hazel Merrill was elected to the position at West Ossipee and Miss Eunice Magee to the one at Water Village. The

other seven teachers remained at their respective schools for the present year.

It is gratifying to have so many of our teachers take a special interest in making their school rooms more attractive. With the help of the children they have, by various means, earned considerable sums of money. Pictures of noted Americans have been secured, school libraries have been bought, and excellent phonographs have been purchased for three of the schools. These efforts deserve our approval.

At the last district meeting the sum of \$500 was voted for schoolhouse repair. By means of this appropriation, in addition to minor general repairs, the West Ossipee, Ossipee Valley, Ossipee Corner, Water Village and Brown schoolhouses were painted on the outside. The interiors of the Ossipee Valley, the Ossipee Corner and the Brown School were also painted. For the coming year I suggest that two windows be added at the Granite school, as the lighting area at present is insufficient. Also, the interiors of the schools at West Ossipee and Moultonville, and at Mountainview if this school continues to be used next year, should be painted.

There are four schoolhouses in Ossipee that are not being used at the present time and have not been used for the past few years. These schoolhouses are located at Chickville, Ossipee Mountain, Fogg's Ridge and Duncan Lake. In the first of these districts there are no scholars, in the second, two, in the third, four, and in the last, six. It seems improbable that a school will ever again be held in several of the districts. While no important repairs are necessary on these

buildings just now it will not be long before they will require some attention. Possibly it would be a wise thing to dispose of one or two of them.

There seems to be some misconception concerning the status of scholars between the ages of five and eight years. The compulsory age for school attendance is eight years; a child may enter school, however, after he is five years old, provided he starts at the beginning of the fall term. When he is once registered as a member of any school he is subject to the same rules and regulations that govern all scholars. To be sure, the parent has the right to take him out of school, but in that case he must stay out until the beginning of the next year. In no case can the attendance be intermittent.

Several years ago, at my suggestion, the School Board made a regulation that pupils should be admitted to the first grade only at the beginning of the school year. In all but one of our schools from five to eight grades are represented with a consequent large number of lessons. Under these conditions a teacher should not be expected to make room for an extra class, and if she does so it must be at the expense of the other classes. Requests of parents for the admission of children to the first grade in the spring term should not be granted.

The present season strongly emphasizes the difficulty of attendance at our rural schools during the winter term. Through storms, sickness and impassability of roads there is much individual absence, with a consequent loss to the school. Much of this, I believe, can be obviated by opening our outlying schools

earlier in the fall and planning for a vacation of five or six weeks during the latter part of the winter when the traveling and weather conditions are likely to be the worst. I recommend that the Brown and Water Village schools—possibly one or two others—be opened as early as August 20th next year.

Once more I wish to call attention to the entire inadequacy of the present location of the Mountainview school. No one, I think, questions the need of a new school building. The problem that is presented then, outside of the site itself, deals with the scope of the project. Shall it be a one-room building to accommodate the grammar school alone; shall it be a building of several rooms where the Mountainview, Moultonville and Center Ossipee schools may be consolidated; or more ambitious still, shall it be of sufficient dimensions to provide for the addition of two years of high school work, the upper grades being organized into a Junior high school? Several people have suggested that it might be a hardship for the younger children of the Moultonville and Center Ossipee districts to be obliged to attend a central school. As a matter of fact more than half of the pupils of these districts would be as well or better served by a schoolhouse located near the depot at Mountainview, and in only several cases would the distance from the home to the school be greater than one mile. The total average membership of these schools for the past three years has been 76; by adding grades IX and X the total would be between 90 and 100. The opportunities for consolidation are good, and the advantages educationally are many and important. If the cost of constructing a building can be met without too great hardship

upon the taxpayers I recommend that a consolidated school be established.

I have prepared the usual list of tables dealing with the statistics of our schools. The financial statement of Receipts and Expenditures for the School Year ending June 30, 1922, together with a statement of Expenditures from July 1, 1922, to Feb. 3, 1923, is also included in this report.

Respectfully submitted,

HAROLD C. WINGATE,

Superintendent.
